This puppy, to the best knowledge of the seller, is in good health at the time of sale. Any known defects are noted at the end of this document. Until the buyer has had possession of the puppy for 72 hours, the seller will warranty for parvo and distemper. Until the puppy reaches one year of age, the seller will warranty for a death caused by a congenital disease. This constitutes the complete warranty between the seller and the buyer and no other representations or promises apply either stated or implied.

In order for compensation to be made, the buyer must provide the seller with a written veterinarian certification verifying the disease (and, if applicable, death) of the puppy. Compensation is limited to refund of the purchase price of the puppy. With respect to the warranty for contagious diseases, the purchase price will be refunded only if the puppy is returned to the seller. The warranty for death due to a congenital disease shall be void if the puppy is euthanized without the consent of the seller.

In order to activate these warranties, the buyer shall take the puppy to a veterinarian within 48 hours of purchase for a wellness exam. A copy of the receipt and/or statement of the results of the exam must be returned to the seller within 14 days from the date of purchase of the puppy.

The warranty does not cover adverse reaction to vaccines, medications, hypoglycemia, or any complications resulting from surgery, moreover, the seller is not responsible for any veterinarian fees incurred by the puppy.

The puppy is sold by the seller to the buyer for use as a pet, and the seller provides no warranty as to the suitability of the puppy for other purposes, including but not limited to showing or breeding. Seller recommends that the puppy be spayed or neutered by the age of 6 months. If, for any reason, the buyer is unable to continue to keep and care for the puppy the buyer agrees to find a responsible and loving home for the puppy or contact the seller for rehoming assistance. The buyer agrees to never, under any circumstance, give the puppy to a rescue group, shelter or humane society. Furthermore, the buyer agrees to never abandon, dump or sell or donate puppy to a research facility.

The warranties apply only to the original buyer and do not apply in the event the buyer transfers the possession or ownership of the puppy to a third party.
